This exquisite home is a masterpiece of luxury and modern design, nestled in a gated, low-density community known for its large home sites and serene privacy. Built by the renowned Anchor Builders, it offers unparalleled craftsmanship, thoughtful upgrades, and a harmonious connection with nature, with preserve views in both the front and back. Set on a 1-acre lot, this former model home is designed for comfort and elegance. Inside, you'll find soaring 12- and 13-foot ceilings, oversized impact-resistant windows and doors, and light oak flooring throughout. The open floor plan is anchored by a stacked stone fireplace and showcases a gourmet kitchen outfitted with Thermador Masterpiece appliances, a vented range hood, two islands, and quartz countertops, perfect for entertaining and culinary pursuits. The home features 4 bedrooms, 3 of which are en-suite with walk-in closets, while the 4th functions as a flexible bonus room. The luxurious primary suite is a retreat in itself, boasting a spa-like bath with a rain shower, a floating tub, and custom closet built-ins. An office/den adds further versatility, highlighted by built-in cabinetry and a sleek glass barn door. Outdoor living is seamlessly integrated through a massive screened lanai with an outdoor kitchen. Ideal for dining and relaxation.
